

CHILDREN'S Initiatives

Cornerstone

The goal of Cornerstone is to provide support and guidance as youth transition to adulthood. The Cornerstone Model affords youth the necessary training and treatment interventions that are essential to their successful navigation of a behavioral health system. Cornerstone focuses on improving functional skills in the areas of education, employment, social supports, wellness, self-management and residential stability.

Who is Eligible?

- Youth ages 15-21 who are Residents of Wayne County and eligible for enrollment in Community Mental Health services
- Must be willing to participate in voluntary services
- Must have desire to work towards independence

What to Expect from My Cornerstone Facilitator or Peer?

- Educational, support and skill development groups
- Guidance and Support in times of crisis
- Encouragement and guidance on completing goals towards attainment of independence in areas of education, employment, housing stability, social supports, and management of mental health
- Help connecting with your community for support
