

Clergy Conversations III

The Substance Use Disorder Department at Detroit Wayne Integrated Health Network is inviting Wayne County faith leaders to an intimate conversation about exploring ways of improving mental wellness in their communities. Please join us for a conversation on what challenges faith leaders are facing in their congregations, temples, mosques, and neighborhoods and what resources are available to help those in need.

April 11th, 2024 • 10 – 11:30 AM

Calvary Church

15500 Howard St,
Southgate, MI 48195
