### **Our Community-Based Partners:**

At the heart of our commitment to the School Success Initiative program is a collaborative effort with esteemed community mental health agencies. We recognize the pivotal role these agencies play in enhancing the mental well-being of students in Wayne County. Together, we forge a path towards a resilient and thriving community, where the collective strength of our partnerships empowers students to overcome challenges and embrace a brighter future. Listed below are the dedicated community mental health agencies that stand alongside us in championing the mental health and success of every student we serve:
