COVID-19
WHEN TO SEE A DOCTOR

The Center for Disease Control does not recommend wearing a mask if you are not sick. If you are experiencing severe respiratory symptoms, call 911 immediately.

- Evaluate your symptoms
- Contact your Primary Care Physician first

If your Doctor is unavailable, call these hotlines
- Ascension: 833-978-0649
- Beaumont: 800-592-4784
- DMC: 888-DMC-3370

- Have a cough
- Fever over 100.4
- Shortness of breath
