Faith-Based Collaborative

On behalf of the Detroit Wayne Integrated Health Network (DWIHN) Faith-Based Collaborative, we are extending this invitation to our monthly Faith Based meetings. Please let us know if you are interested and available to join us. The faith-based committee meets every fourth Monday each month with a focus on substance abuse prevention, treatment and recovery, suicide prevention and positive mental and physical health advocacy. I am attaching the brochure for additional information.

The Detroit Wayne Integrated Health Network (DWIHN) Faith Based Initiatives hosts a “Faith-Based Wellness Beyond the Walls” Conference annually. We host this annual conference designed to educate, equip and engage clergy, adults, youth and the community as a whole on substance use prevention, treatment and recovery and mental health awareness.

We appreciate you for your service to the community and hope that you can be an integral part of the committee and next year’s conference. If you have any questions, please contact ktomas@dwihn.org or 313-530-0871. In the heart of Prevention, Treatment and Recovery.

Sincerely,

Karra E. Thomas
