Re: July 1 through September 30, 2020 - \$2.00/hr. DCW COVID-19 Premium Pay Instructions

On July 23, 2020, the Michigan Department of Health and Human Services issued the attached letter to the Prepaid Inpatient Health Plan (PIHP). In accordance with Public Act 123 of 2020, the \$2.00/hr. direct wage increase will continue through September 30, 2020 for the same service codes for **all places of service**, therefore telehealth and on-site clinic-based settings will receive the premium pay.

As indicated in the letter, MDHHS will remit payment to DWIHN on September 23, 2020 therefore in order to ensure timely payment, DWIHN requires all services for July 1, 2020 through September 30, 2020 be submitted within MHWIN for processing by October 9, 2020.

Further communication will be shared with the network on a specific date of payment. However, any claims submitted subsequent to October 9, 2020, will be processed in a final "sweep" in mid/late November 2020.

DWIHN calculation methodology used to determine the amount of the premium pay to providers will remain consistent with the prior direct care wage increases done in the past.

Thank you for your patience and cooperation.
