**Re: CLARIFICATION: \$2.00/hr. DCW COVID-19 Pay**

DWIHN received communication from the Michigan Department of Health and Human Services (MDHHS) 'Continued Clarification of the Premium Pay Increase for July – September' (see attachment); this has raised some questions from many of our Providers and for us as well.

DWIHN is looking into the best approach to implement the guidance clarified by MDHHS. DWIHN will continue to have further communications with the provider network to ensure that clear and concise directives are presented.

DWIHN appreciates your partnership and patience in working with us during this process. We will continue to keep you abreast of any changes as we move forward.
