Re: COVID -19 Recovery Housing/Recovery Support Services

The purpose of this memo is to inform Providers that are treating individuals that may show signs of the Coronavirus (COVID-19) and **need quarantine services.**

The Detroit Wayne Integrated Health Network (DWIHN) recognizes the evolving issues surrounding COVID-19 and the emerging needs for individuals that are experiencing symptoms and their need to continue Substance Use Disorder (SUD) Treatment services. In the face of the COVID-19 pandemic, DWIHN has begun additional recovery housing and recovery support for people with SUD. These individuals must be receiving outpatient services from a licensed SUD Provider in DWIHN's network via telehealth or telephone communications.

Detroit Rescue Mission Ministries at 626 E. Grand Blvd. Detroit 48207 and Quality Behavioral Health at 1500 E. Grand Blvd, Detroit 48207, may provide up to **14 days** for these specific recovery housing services for individuals who are exhibiting the following symptoms:

- ✓ Symptomatic COVID-19
- ✓ Tested positive for COVID-19

This guidance will not necessarily address every possible issue for individuals or processes and may need to be adapted as situations may or may not change.

To access and obtain authorization for these services please call 1-800-241-4949.

Please understand that DWIHN has made every attempt to ensure that it is adhering to all precautions and steps for the people it serves as well as the front-line staff who are providing the services are kept safe.
