**Re: 1<sup>st</sup> Quarter October 1, 2022 through December 31, 2022 - \$2.35/hr. DCW  
COVID-19 and Final 4<sup>th</sup> Quarter 2022 Hazard Pay Instructions**

In order to ensure timely payment, Detroit Wayne Integrated Health Network (DWIHN) will process the DCW adjustment for claims submitted for the three months October 1, 2022 through December 31, 2022 if received in MHWIN by **February 3, 2023**.

Further communication will be shared with the network on a specific date of the DCW hazard payment. However, any claims submitted subsequent to February 3, 2023, will be processed in a next “sweep” mid May 2023.

In regards to Substance Use Disorder providers that completed the template for the first DCW increase, DWIHN will utilize the same rates developed in the prior payment. Therefore, you do not need to submit a template unless the hours have changed significantly from the prior fiscal year.

Thank you for your patience and cooperation.
