

IMPORTANT

Community Update:

COPE CSU Closure

Effective : May 9, 2025

WHAT YOU NEED TO KNOW...

- **Crisis services are NOT ending—just moving.**
- The **same services** will now be offered at a **new location** in **Westland** by **Team Wellness**.
- This change ensures that crisis stabilization services remain **uninterrupted and accessible** to all residents **of Wayne County**.
- Individuals who walk into the COPE Livonia location in crisis will be triaged and transferred to an available CSU or Emergency Department, depending on their condition and needs.

WHAT'S CHANGING?

The **COPE Crisis Stabilization Unit (CSU)** in **Livonia** will no longer provide CSU services at 37450 Schoolcraft Rd, Livonia, MI 48150

WHY THIS MATTERS?

This transition ensures continued support for individuals experiencing a mental health crisis—10 minutes from the previous Livonia location.
