Provider Contract Clarification

Dear DWMHA Community Providers,

We'd like to provide some clarification about dates and documents that have been sent out and posted on our website.

DWMHA has begun the process of sending agreements to all Providers via e-mail, this process will continue for the next few weeks. As soon as you receive your agreement via e-mail or mail, please review, sign in the appropriate spots and send the agreement back as soon as possible. In order to accommodate all requests, we will be extending the original date of *September 24, 2018* to have all agreements returned to **Wednesday, October 31, 2018**. During this timeframe, please make sure that the Members you are serving have a current IPOS.

Also below is clarification about documents sent out earlier this week:

The **Clinical Residential Service Provider Agreement Template FY 18-19**, is for Residential and AFC Home Providers and is a draft document for your review until you receive yours. Please do not fill it out or send it back to us. You will be receiving an agreement for you to sign and submit.

The **Clinical Outpatient Service Provider Agreement Template FY 18-19** is also a draft document for your review.

Both of these documents can be found on the System Transformation page at: www.dwmha.com

Sincerely,

DWMHA Management
