Connect with us as we discuss:

- **Covid 19 novel nursing facility policy development**
- **PPE, testing, strategies, misconceptions**
 - **Senior Emergency Room care**
 - **Social isolation, family needs**
- **Changes in homecare and senior center programs**

During the Covid 19 pandemic, The Information Center has continued to provide resources and services through our Community Helpline and Care Management staff. We have moved forward to advance in the areas of protocols, procedures, and technologies to adapt to the needs of the day and the many people we serve. Our educational webinars present useful current event discussions through an easily accessible platform for our partners, colleagues and the communities which we serve.
