DWIGHN Board Nominates Interim CEO to Lead Organization

Leadership and Staff remain Committed to Serving Citizens

The Detroit Wayne Integrated Health Network is moving forward and remains committed to the people we serve. While the circumstances surrounding recent events are very unfortunate, DWIHN and its Board of Directors are committed to providing exceptional integrated behavioral healthcare to the 75,000 people in Wayne County.

The DWIHN Board of Directors Executive Committee today nominated Eric Doeh, Deputy CEO and COO to serve as Interim CEO and begin a search for its next CEO. Next week the Board of Directors is expected to vote on the Interim CEO position.

"We have garnered support over the years from our partners throughout the behavioral health community, healthcare organizations and persons served. DWIHN has an exemplary staff and leadership team that I am proud to work alongside. We remain dedicated to caring for the state's most vulnerable citizens, ensuring transparency, restoring trust and continuing to provide quality service is my goal" - Eric Doeh, Deputy CEO.
