Dear DWIHN Member/Guardian:

The Detroit Wayne Integrated Health Network (DWIHN) has been informed that your provider of therapeutic services including outpatient and home-based services, Clinic for Child Study, will no longer be providing behavioral health services effective June 8, 2020. As a DWIHN member, you always have a choice of where you want to receive your services and we assure you that we will do our best to make sure you know all of the options available to you.

Please be advised that the Clinic for Child Study will be contacting you by phone and/or meeting with you individually to explain your treatment options and/or new provider choice opportunities. You will be happy to know that there are several providers in the area that are eager to provide services to you should you select them. A listing is enclosed to assist you with your provider choice.

Please remember that you have a choice to receive services wherever you choose and we want you to feel very comfortable with your new provider. Should you need further assistance or have additional questions, please do not hesitate in contacting DWIHN's 24-hour Access Center 800-241-4949 and /or Customer Service (888-490-9698).
