**Re: Payout - DCW COVID-19 Premium Pay: Final Sweep March 1- June 30, 2021 and July 1 –
September 30, 2021**

The Detroit Wayne Integrated Health Network (DWIHN) will be issuing the \$2.25/hr. direct care wage increase payment on **Monday, November 1, 2021**. The payment will post to your respective bank accounts and includes the \$2.52 adjustment for all claims submitted in MHWIN through October 15, 2021 for the 4th quarter 2021 **and** the final sweep for claims submitted for the four-month period March 1, 2021 through June 30, 2021. If not already paid, providers are expected to remit the premium pay to employees by Friday, November 12, 2021.

Please make sure the premium pay is identifiable and separate from their normal pay. If an employee is no longer employed with a provider, it is expected that the premium pay will be sent to the employee in the same manner as when the employee was employed with the provider.

DWIHN will make the necessary adjustments to all claims for the increase; we only need providers to submit their normal claims activity in MHWIN. Please note that **no** further action is required of providers as it pertains to claim adjustments.

DWIHN will perform a final “sweep” of claims for the 4th quarter 2021 in mid-January 2022 for any claims not received by October 15, 2021 and providers will receive the DCW adjustment at that time. DWIHN continues to await instructions from the Michigan Department of Health and Human Services (MDHHS) for the fiscal year September 30, 2022 DCW hazard pay however when available, we will promptly communicate with the network.

Thank you again for your patience.
