From: DWIHN – Procedure Code Work Group
RE: H2015 and T2027 – Claims module updates
Date: 10/29/2020

ATTENTION: Claims update for H2015 and T2027:

- 1) “Copy Claim” function will copy the Start Time and End Time to copied claim lines. This update was deployed on 10/25/2020.

- 2) Currently, MH-WIN is limited to 50 Claim Detail lines per claim record. Providers requested expansion to 300 Claim Detail lines per claim record. We can not accommodate this request; 50 Claim Detail lines is the maximum allowed by EDI Professional files.

- 3) The order of the modifiers on the claim line will not impact the adjudication of the claim. (Ex., H2015-UN-S1-U7 versus H2015-U7-S1-UN). Confirmed 10/28/2020.

- 4) Claims Edit for H2015 and T2027 – System will skip MAX Days edit for H2015 & T2027 for service dates of 10-01-2020 and later. Claims may be submitted more than 60 days after date of service. This update was deployed on 10/28/2020.

Should you have an additional questions, please email procedure.coding@dwihn.org.
