Re: Payout - \$2.00/hr. DCW COVID-19 Premium Pay Final Sweep (July- September)

On Wednesday, December 16, 2020, Detroit Wayne Integrated Health Network (DWIHN) will deposit the final "sweep" for the July 1 through September 30, 2020 \$2.00/hr. direct wage premium pay. All claims that were submitted but not paid on November 3, 2020, should be included in this payment. Please notify us immediately if you do not see the revised claim in MHWIN. If not already paid, it is DWIHN's expectation that all premium pay shall be paid to employees by December 23, 2020.

Finally, DWIHN will begin processing the October 1 through December 31, 2020 \$2.00/hr. direct wage premium in mid-February 2021. Please ensure that all claims for the three-month period are submitted by January 22, 2021. All claims not submitted will be included in a final sweep that shall occur in April 2021.

Thank you for your continued patience.
