Detroit Wayne Integrated Health Network (DWIHN) is pleased to announce an outcomes-based incentive payment program for supports coordination agencies administering the Habilitation Supports Waiver (HSW) program. The incentive program is in recognition of the more intense needs of HSW participants as well as the additional effort required to support them.

There are two components to the Incentive Program which are outlined below:

1. Clinically Responsible Service Provider (CRSPs) will be paid a one-time incentive payment of \$1,000 for each "new" MDHHS **approved** and certified HSW application effective July 1, 2020. Recertified consumers are not considered new applicants. The CRSP must share a minimum of 50% or \$500 of the incentive payment with the appropriate supports coordinator(s) and those who contribute significantly to the completion of the application.
2. The rate paid for Supports Coordination for HSW participants (T1016-HK) will be increased by 7% from **\$96.44** per unit to **\$103.19** effective July 1, 2020. CRSPs who fail to recertify the consumer in a timely manner, will not receive the enhanced rate. CRSPs who continue to fail in timely recertifications will be placed on a Corrective Action Plan (CAP). DWIHN will monitor the CAP status and if necessary transfer the consumer to another CRSP of their choice.

DWIHN will reconsider the claims effective July 1 with the enhanced rate and effective July 1, all new HSW **approved** applicants, will be paid the incentive within 30 days. DWIHN reserves the right to perform a review of the CRSPs to ensure a minimum of \$500 was paid to the support coordinator(s) and those who contribute significantly to the completion of the application.

Appropriate policy(ies) and procedure(s) will be provided in the near future.
