PAYMENT PROCESSING SCHEDULE UPDATE

Detroit Wayne Integrated Health Network (DWIHN) will be making a one-time adjustment to the current DWIHN-CMH Service Providers payment processing schedule as outlined on our website. This one-time date adjustment will **ONLY** affect the providers that offer Adult with Mental Illnesses (AMI) **residential services**. Payment will be received on October 25, 2019 for services submitted within MH-WIN through October 18, 2019.

All future payments will be rendered as scheduled with no exceptions. Please note the following dates that have a 3-week payment cycle:

Submitted to MH-WIN By:	Payment Issued By:
11/22/2019	11/29/2019
12/27/2019	1/10/2020
4/24/2020	4/30/2020
5/22/2020	5/29/2020

The changes to the payment schedule are necessary and coincides with our largest payment received from the State of Michigan.
