

**Mental Health Services for Special Populations
Metrics and Reporting Template**

Metrics for all Special Population Providers

- Number of persons served (**unduplicated count**)
- Number of psychiatric evaluations provided (**unduplicated count**)
- Number of mental health therapy sessions provided (**unduplicated count**)
- Number of Wraparound services provided (**unduplicated count**)

Report Narrative to describe:

- Client base served (including confirmation that special population funds were not used for services provided to illegal immigrants, fugitive felons and individuals who are not residents of the state-unless provided to individuals with emergent mental health conditions)
- Wraparound services provided
- Services and programs provided (outside of wraparound)
- Whether funds are tracked to the individual person receiving services. If funds are not tracked in this manner, please describe plans in place to be able to do so at the beginning of the next quarter.

	Unduplicated Number Provided During the Reporting Period	Total Cost of Services	Amount funded through State Special Populations Funding	Amount Funded through other State funding sources (including Medicaid)	Amount funded through local funds
