Re: Payout – 4th Quarter \$2.35/hr. DCW COVID-19 Premium Pay (July 1 - September 30, 2022) and Final 3rd Quarter 2022 Sweep

Detroit Wayne Integrated Health Network (DWIHN) will be issuing the \$2.35/hr. direct care wage increase payment on Tuesday, December 6, 2022. The payment will post to your respective bank accounts and includes the \$2.64 adjustment for all claims submitted in MHWIN through November 11, 2022 for the three-month period July 1 through September 30, 2022. In addition, the payment will include the final sweep for April 1 through June 30, 2022. If not already paid, providers are expected to remit the premium pay to employees by Friday, December 16, 2022.

Please make sure the premium pay is identifiable and separate from their normal pay on the check stub. If an employee is no longer employed with a provider, it is expected that the premium pay will be sent to the employee in the same manner as when the employee was employed with the provider.

Thank you again for your patience.
