STANDARDS

1. Each recipient shall receive appropriate, complete and timely evaluations as appropriate for the level of service received.
2. Each recipient admitted to an inpatient setting shall receive a physical evaluation performed by a licensed physician, a certified nurse practitioner acting under the supervision of a physician, or a physician's assistant acting under the supervision of a physician within 24 hours following admission. Each resident of a hospital or center shall receive a mental and physical examination. Each resident shall be periodically reexamined not less often than annually. [MCL330.1710].
 - a. Pertinent laboratory studies and imaging techniques shall be ordered consistent with findings of the initial physical evaluation and any subsequent physical or mental examinations.
 - b. A comprehensive psychosocial assessment shall be conducted within 3 days following admission.
3. Each recipient with a finding consistent with a disorder of mood, thought, or behavior shall receive a psychiatric evaluation performed by a psychiatrist who meets the requirements stated in the Mental Health Code [MCL 330.1100c(10)].
4. Each recipient with a finding of a developmental disability shall receive a battery of psychological testing and specialty evaluations (Medical, Physical Therapy (PT), Occupational Therapy (OT), Speech and Language) as appropriate to his/her condition.
5. Each recipient with a finding of physical disability shall receive specialty evaluations (Medical, PT, OT, Speech and Language) as appropriate to his/her condition.
6. Each recipient with a finding of a current nutritional deficit or a potential for nutritional risk shall receive an evaluation performed by a Registered Dietitian.
7. If any element of an initial evaluation is deferred, the reason for the delay and the expected date of completion shall be documented in the recipient's clinical record.
8. The clinical record shall be reviewed periodically to assure completion of all deferred examinations and procedures.
9. Each contracted service provider shall incorporate these standards into its performance improvement program.

QUALITY ASSURANCE/IMPROVEMENT

DWIHN shall review and monitor contractor adherence to this policy as one element in its network management program, and as one element of the QAPIP Goals and Objectives.

The quality improvement programs of direct contractors must include measures for both the monitoring of and the continuous improvement of the programs or processes described in this policy.

COMPLIANCE WITH ALL APPLICABLE LAWS

DWIHN staff, contractors, and subcontractors are bound by all applicable local, state and federal laws, rules, regulations and policies, all federal waiver requirements, state and county contractual requirements, policies, and administrative directives, as amended.
